

The Cottages at Chandler Creek are state-of-the-art, licensed and certified assisted living residences for people living with Alzheimer's and other memory disorders. Under the direction of our highly qualified 24-hour staff and access to 7-days-a-week nursing, we provide personal care assistance, medication administration, meals, snacks and specialized activities. Our unique floor plan, inspired by Mayo Clinic research, allows residents to live in a smaller, home-like environment.
